

In collaboration with HVL's International week, the library invites:

# Te på tvers

---

Come and taste Chai

Our exchange students from India and Sri Lanka will tell us the truth about Chai. Which spices are used, what is the right proportion of water to milk, and why do Norwegians call it 'Chai latte'? Besides serving us Chai, the students will prepare small Indian tastes to accompany the tea.

Children from Annai Poopathy Tamil Cultural Center, Bergen will dance in the hallway at 1:45 pm.

Welcome!
