Photo: Pxhere.com

# First Steps

- PowerPoint presentations describing project on student and teacher mobility “Into the World!”
  - English version
  - Norwegian
- Working with communications department/Media Lab on making a *Project Specific Layout* for
  - PowerPoint presentations
  - Project web page
  - Social media channels
  - Create videos in which teachers and students with exchange experience reveal their stories
- Universal design: consulting with Marie Sølvi Risøy and Karen Lovise Malde Heiseldal
- Profiling project through *Vestibylene*—Western Norway University College intranet

# Steps ahead

- Complete PowerPoint Presentations in Norwegian and English
- Promoting project
  - present PowerPoint presentations at domestic and international conferences
- Visibility
  - Develop project website / social media channels to increase visibility of project
    - opportunities for bidirectional international student and teacher exchange
- Documentation
  - Assess and evaluate dependent measures in sub-project 1, 2, 3 in order to illuminate effect of project implementations
  - Dissemination results via conference talks and article writing
